TRIPLE ARROW

(PROJECT DIVISION)

ABOUT US

TRIPLE ARROW CONTRACTING EST. opened its doors for business about one year ago as a small enterprise, a hundred percent Saudi Organization under the Sponsorship of ABHUHALLA AL-SAMARRY

TRIPLE ARROW W started its Contracting Business in the Year 2015. Since then it has been extending construction services, All the employees are well experienced in mainly dealing with Saudi Arabian Oil Company (SAUDI ARAMCO), Saudi Basic Industries Corporation (SABIC) Snamprogetti, Saipem S.A, Marafiq, Daelim SA, and various other international companies operating in Saudi Arabia. The Organization is under the process to achieve substantial growth in all spheres of services with high caliber and standards required by our clients.

Our undertakings are in the fields of Civil, Mechanical, Electrical, HVAC, Instrumentation construction & Maintenance. We have successfully carried out jobs for M/s Saudi Aramco in contracts of various categories. We also have sufficient experience working with the SABIC group of companies and have executed various jobs to their satisfaction.

We continually strive to improve our performance and to complete the projects within the scheduled time while maintaining standards of quality and safety during the execution.

In the process of our operation, **TRIPLE ARROW** roped in professional Management, and has a simple, well defined organization structure that lends itself to the needs of the construction and maintenance sectors. Today, **TRIPLE ARROW** provides contracting and support services in diverse fields such as foundation works, water retaining structures, pipeline jobs, installation of MCC's, Transformers, Cable trays, Laying of Cables etc., All structural Fabrication and Erection, construction of pre-engineered buildings, instrumentation projects, testing & commissioning (Shutdown's) of petrochemical Plants, Tank Fabrication with repairs and maintenance, abrasive blasting and coating, etc.

TRIPLE ARROW (PROJECT DIVISION)

OUR VALUES

We are known for:

- Delivering quality, safety and reliability in meeting our clients' needs.
- Valuing honesty and transparency in our people.
- Achieving the highest standards of corporate governance.
- Encouraging and promoting human rights.
- Fostering environmental protection and sustainable development.

We want to deliver:

- Value to projects through cost and planning optimization and effective risk management.
- Development opportunities to all members of our team.
- Technological innovation and cutting –edge technologies.

Values

TRIPLE ARROW 'S professional activities are governed by a set of values, which have been approved by its Management Board.

These resolve around 5 main areas:

- Integrity, professional excellence, protection of health, safety and environment, as well as social responsibility are core values at **TRIPLE ARROW** .
- Our goal is to achieve the highest level of satisfaction for all our partners and in particular for our clients and employees.
- **TRIPLE ARROW** is committed to supporting and promoting the principles of the Kingdom of Saudi Arabia.
- Built on the Know-how and expertise of our teams, we aim to conduct our business in line with the principles of substantial development.
- Our core values are set out in our Charters regarding ethics, social accountability, environmental protection, and health and safety.

TRIPLE ARROW (PROJECT DIVISION)

MESSAGE FROM CEO

I had a modest initiation more than a decade ago with a cherished goal of contributing towards the Kingdoms industrial growth and development, which was in its early stage then. I had always embraced challenges, constraints and countless obstacles in our stride; our organizational philosophy was driven by the analogies of best practice, commitment, dedication, sincerity and highest standards.

Our strategies, structure and systems have been forced on creating constant customer satisfaction by delivering our customers with the services, solution and products that are qualitative and cost effective in the quest for becoming regional, national and international players of the industrial world, we have been tapping on the talents of our human resources, prevalence of rational decision making and forward planning in the most synchronized manner.

Our achievements, accomplishments and successes of high promotions are attributable firstly to Allah, the Almighty and then to our valuable assets – Our people, whose persistent hard work, unwavering commitment, invaluable contribution, tremendous faith, confidence and trust have all been instrumental for taking our company to its present status.

Our focus towards remaining all the way in our endeavors at all times remains total, absolute and comprehensive.

Being CEO of BAHJA AL-MANAMA CONTRACTING CO.,(TRIPLE ARROW) it is a matter oftremendous pride, pleasure and privilege for me to reflect and share our achievements of the past, activities of the present and ambitious vision of the future.

TRIPLE ARROW

MAIN ACTIVITIES

Operations & Maintenance Division

TRIPLE ARROW has experienced team having over 12 years experience in offering multi-discipline plant maintenance services related to oil , gas petrochemical , power, desalination and heavy industrial plants and facilities, but has also a management team having over 18 years experience in the same discipline.

The main activities covered under this divisions are:

Plant Maintenance & Operation Services
Plant Turnaround & Shutdown Maintenance
Short & Long- Term Plant Maintenance for all disciplines
Refurbish & Repair of large storage tanks & tanks farms

Engineering Support Services

Provision of highly skilled, skilled & semi skilled human resources for:

- Plant Shutdown & turnaround works
- Plant Maintenance work
- Support services for plant construction works
- Other support services

Industrial maintenance services are complementary to our construction activities offering full spectrum of services together with a stand-alone role each having its own specialized skills and requirements.

Construction

Our Construction Divisions core competencies rest in its ability to handle multi-discipline construction works such as,

Civil

Mechanical & piping
Electrical & instrumentation
Structural Steel Fabrication & Erection

It offers grass root construction, plant revamp and modification, plant upgrade and expansion and de-bottlenecking for LSTK/EPC/LSPB type projects.

Rahima Project Office

The construction activities are operated through its project division office at Dammam. It has about 140 employees, with 15 engineers and supervisors engaged in project service now.

TRIPLE ARROW personnel have played key roles in several projects for SAUDI ARAMCO/ SABIC/SADARA by taking up various projects and specialized contracts. The Top Management Personnel have more than 18 years of experience in Saudi Arabia.

TRIPLE ARROW (PROJECT DIVISION)

FACILITIES

Accommodation

TRIPLE ARROW has a main office at Ras tanura with camps at Dammam, Jubail, and Abqaiq, and plan to take-up more camps as per project requirements.

TRIPLE ARROW has accommodation facilities as follows

1. Dammam Camp#1 with the capacity to accommodate 50 employees.
2. Jubail Camp #1 with the capacity to accommodate 60 employees.
3. Rastanura Camp#1 with the capacity to accommodate 60 employees.

Yards and Shops

More over TRIPLE ARROW has a fabrication facilities situated in Ras-tanura, Rahima City (Area 2000 SM), capable of designing and fabricating various types of columns, vessels, tanks, GI/SS fabrication, stairs parapets, ware houses ..etc.

Vehicle & Equipment Service Division

TRIPLE ARROW has a joint venture with a company having a full-fledged and equipment division equipped with modern facilities with a capacity of serving 12 medium and heavy vehicles /equipment at a given time.

TRIPLE ARROW (PROJECT DIVISION)

PROCUREMENT

Procurement of Material & Material Control

Procurement for Industrial Projects is a tough task and requires highly experienced professionals and sophisticated system to enable delivery of material on time for project. To ensure that material supplied is at the best price with appropriate quality, TRIPLE ARROW has set up extensive 'Supply Chain Network' with reputed Suppliers and its affiliates. This is supported by the ERP solutions.

Material control involves exhaustive logistics and distribution for a geographically diversified company. **TRIPLE ARROW** has fully equipped stores at Jubail and Damman, which is networked with the site stores at different projects through ERP. These stores maintain Inventory of essential consumables and project related items for quick distribution to project sites.

TRIPLE ARROW

(PROJECT DIVISION)

JOB TITLE : **Misc.piping Works @ Eastern Province Water Transmission System Project**

P.O. :

CLIENT : YUKSEL

DURATION : 2 YEARS

LOCATION : JUBAIL

CONTRACT FROM : LONG TERM

CONTRACT PERSON : MR.SELUCK TANER

Fabrication of Drain and Vent lines for Phase – II project. Job includes Fabrication as per field and welding and RT.

TRIPLE ARROW

(PROJECT DIVISION)

JOB TITLE : **SFC Replace Dry Chemical Fire System at SAF & TAN dining Hall**

P.O. : 6510408580

CLIENT : SAUDI ARAMCO

DURATION : 3 MONTHS

LOCATION : SAFANIA

CONTRACT FROM : SHORT

CONTRACT PERSON : MR.MOHAMMED BANTWAL

Installation of Ansal R-102 Fire Suppression System limited to indoor application.

TRIPLE ARROW

(PROJECT DIVISION)

JOB TITLE : **Oryx Plant erection,**

P.O. : OECL / 101

CLIENT : Oryx Engineering and Consultancy Pvt. Ltd.

DURATION : 2 Years.

LOCATION : Dammam Industrial estate - II

CONTRACT FROM : LONG TERM

CONTRACT PERSON : MR.JOHN VARGHESE.A.

Job includes erection of 18 tanks, piping fabrication and erection, structural pipe rack, structural module-14, Erection of Vessels and associated piping, painting and Insulation.

TRIPLE ARROW

(PROJECT DIVISION)

JOB TITLE : SHAYBAH LONG BOLT STRUCTURE FIREPROOFING
P.O. : 6510498560
CLIENT : SAUDI ARAMCO
DURATION : 6 MONTHS
LOCATION : SHAYBAH
CONTRACT FROM : SHORT
CONTRACT PERSON : MR.MOHAMMED BANTWAL

Job includes Fire-Proofing of columns and insulation of valves at Shaybah GOSP-2.

TRIPLE ARROW

(PROJECT DIVISION)

JOB TITLE : SASREF RK & SK Line TSV's to 900-TK-01 A/B & 900- TK 02 A/B 03.

P.O. : 13312

CLIENT : GULF FARABI

DURATION : 6 MONTHS

LOCATION : JUBAIL

CONTRACT FROM : SHORT

CONTRACT PERSON : MR. ZAKIR HUSSAIN

Job includes SUPPLY, Fabrication, Installation and commissioning of piping & Support.

TRIPLE ARROW

(PROJECT DIVISION)

JOB TITLE : **Supply, Fabrication, Installation and Commissioning
Of piping Civil & Structural as per attached SOW.**

P.O. : 13349

CLIENT : GULF FARABI

DURATION : 6 MONTHS

LOCATION : JUBAIL

CONTRACT FROM : SHORT

CONTRACT PERSON : MR. SHAREEF BABU

TRIPLE ARROW

(PROJECT DIVISION)

JOB TITLE : SUB 21, DEMO OLD SWITCHGEAR INSTALL NEW, PRO
P.O. : 6510426695
CLIENT : SAUDI ARAMCO
DURATION : 1 YEAR
LOCATION : BERRI GAS PLANT DIVISION
CONTRACT FROM : MID
CONTRACT PERSON : MR. FAHD SAADI

This Job includes the replacement of the obsolete 4.16 KV Switchgears at Sub # 21 with new type in plant F-13 Jubail port.

TRIPLE ARROW

(PROJECT DIVISION)

JOB TITLE : 476 SFC R.O rplc Feed line to RTR
P.O. : 6510437429
CLIENT : SAUDI ARAMCO
DURATION : 4 MONTHS
LOCATION : BERRI GAS PLANT MAINTENANCE DIVISION
CONTRACT FROM : SHORT
CONTRACT PERSON : MR. KHALID OTAIBI

This Job is to provide manpower, supervision, equipment, materials and tools to fabricate and install a new RTR Lines for R.O. feed water line at plant 476.
